

## Host Pro VPN Cookie Policy

**Last Updated: February 27, 2026**

This Cookie Policy explains how **New Age Digital LTD** (operating as Host Pro VPN) uses cookies and similar tracking technologies on our website (the “**Site**”) and any related online services. It is a supplement to our **Privacy Policy** and **Terms of Service**, which you should also review.

By continuing to use our Site, you consent to the use of cookies as described in this Policy. If you do not agree, you can manage or disable cookies through your browser settings (see Section 5 below). Note that disabling certain cookies may affect your ability to use parts of the Site.

We may update this Policy from time to time. We will post the revised version on the Site with a new “Last Updated” date. Continued use of the Site after changes constitutes your acceptance of the updated Policy.

### 1. What Are Cookies?

Cookies are small text files that are placed on your device (computer, tablet, or mobile phone) when you visit a website. They help the Site remember your actions and preferences over time, making your experience more efficient and personalized. Cookies can be set by us (first-party cookies) or by third-party service providers (third-party cookies).

Similar technologies include web beacons, pixels, and local storage, which we may also use for the same purposes.

### 2. Types of Cookies We Use

We use only the minimum cookies necessary to operate our Site and provide our VPN services. We do **not** use advertising, targeting, or cross-site tracking cookies.

Here are the categories of cookies we use:

- **Strictly Necessary Cookies**

These cookies are essential for the Site to function properly. They enable core features such as account login, session security, and basic navigation. Without these cookies, you would not be able to use certain parts of the Site or complete purchases.

Examples: Authentication cookies that keep you logged in, security tokens, and shopping-cart functionality.

These cookies are always active and do not require your consent.

- **Performance / Analytics Cookies**

These cookies help us understand how visitors use our Site by collecting anonymous information. We use them to improve the Site, measure traffic, and

analyze usage patterns.

Example: Google Analytics (anonymized IP addresses only – we do not share personal data with Google for advertising).

These cookies allow us to see which pages are most popular and how users interact with the Site.

- **Functionality Cookies**

These cookies remember your preferences (e.g., language settings or region) to provide a more personalized experience.

We currently use very few of these, as our Site is designed to be simple and privacy-focused.

We do **not** use any cookies for behavioral advertising, retargeting, or social media tracking.

### 3. How Long Do Cookies Last?

- **Session Cookies:** These are temporary and are deleted when you close your browser.
- **Persistent Cookies:** These remain on your device for a set period (e.g., 30 days or up to 2 years) or until you delete them. We keep persistent cookies to a minimum.

### 4. Third-Party Cookies

We may allow carefully selected third parties to place cookies on our Site for the limited purposes described above. These include:

- Payment processors (for secure checkout)
- Hosting and analytics providers (e.g., Google Analytics)

All third parties are contractually required to protect your data and use cookies only for the purposes we authorize. We do not allow third-party advertising networks.

### 5. Managing and Disabling Cookies

You can control cookies through your browser settings. Most browsers allow you to:

- View and delete cookies
- Block all or specific cookies
- Receive alerts when cookies are set

Instructions for common browsers:

- Google Chrome: Settings > Privacy and security > Cookies and other site data

- Mozilla Firefox: Options > Privacy & Security > Cookies and Site Data
- Safari: Preferences > Privacy > Cookies and website data
- Microsoft Edge: Settings > Cookies and site permissions

You can also visit [www.aboutcookies.org](http://www.aboutcookies.org) or [www.allaboutcookies.org](http://www.allaboutcookies.org) for more information.

Note: Blocking strictly necessary cookies may prevent you from accessing parts of the Site or completing a purchase. If you use our VPN apps, no cookies are used inside the apps themselves.

## **6. Do Not Track Signals**

Our Site does not respond to “Do Not Track” (DNT) browser signals because we do not engage in tracking that would require such a response.

## **7. Changes to This Cookie Policy**

We may update this Policy to reflect changes in our practices or legal requirements. We will notify you of material changes via a prominent notice on the Site or by email (if you have provided one).

## **Contact Information**

If you have any questions about this Cookie Policy or our use of cookies, please contact us at:
